STUDENT FORUM Saturday, February 2nd Cost: \$ 25

Student Forum \$ _____

TUTORIALS Sunday, February 3rd Cost per Tutorial: Student IEEE Member \$ 115; Student Non-Member \$ 170

Tutorial sessions are based upon availability. Select Tutorial and circle time preference (you may select up to 4 tutorials):

- T1: Class-D Audio Amplifiers 8:00am-10:00am
T2: Pipeline ADCs 8:00am-10:00am
T3: Temperature Sensors 8:00am-10:00am
T4: SoC Power Reduction 8:00am-10:00am
T5: Digital PLLs 8:00am-10:00am
T6: Leakage Reduction Techniques 12:30pm-2:30pm
T7: NAND Memories for SSD 12:30pm-2:30pm
T8: Silicon mm-Wave Circuits 12:30pm-2:30pm
T9: CMOS Biotechnology 12:30pm-2:30pm
T10: Hi-Spd Chip-to-Chip Signaling 12:30pm-2:30pm

Tutorials Total \$ _____

ADVANCED SOLID-STATE CIRCUIT DESIGN FORUMS

Cost per Forum: Student IEEE Member \$ 400; Student Non-Member \$ 550

- F1: Embedded Memory Design
F2: Wide-DR Imaging
F3: Nanoscale RF CMOS Design
F4: GW to muW Power Systems
F5: High-Speed Transceivers
F6: Transistor Variability
F7: Digitally Assisted Analog & RF

Forums Total \$ _____

SHORT COURSE Thursday, February 7th Cost: Student IEEE Member \$ 310; Student Non-Member \$ 445 Circle time preference: 8:00am-10:00am
"Embedded Power Management for IC Designers"

Short Course Total \$ _____

STUDENT REGISTRATION INSTRUCTIONS

GENERAL INFORMATION: Detailed session information is available in the Advance Program Book. Student conference registration includes one Digest of Technical Papers on CD and one paper copy. Those individuals who are **members of both IEEE and SSCS will also receive a complimentary copy of the SSCS Digital Archive DVD** set for the years through 2007 (includes JSSC, ISSCC, VLSI, ESSCIRC, A-SSCC and CICC). It may be necessary to limit onsite registration due to limited seating capacity and hotel fire regulations.

REGISTRATION FORMS: For students, early registration rates apply up until the end of online registration on **January 21, 2008**. **Registration forms postmarked or FAXed after January 21, 2008 will not be processed**, and it will be necessary for you to register onsite at the appropriate onsite rate. FAXed registration is not possible if payment is by check. A registration form for each attendee included in that check must accompany all checks, personal or corporate. **Checks received without forms will not be processed.** ISSCC has retained YesEvents to process all credit card transactions. "ISSCC" will be listed on your credit card statement as the merchant of record. **Keep a copy of both sides of this form for your files, and bring a copy with you onsite. YOU MUST SHOW YOUR STUDENT ID CARD AT REGISTRATION, WHETHER PICKING UP YOUR ADVANCE REGISTRATION MATERIALS OR REGISTERING ONSITE.** You must provide your IEEE number on the registration form in order to receive the IEEE discount. All forms received without an IEEE number will be processed at the non-member rate and no refunds will be given.

REFUNDS: Cancellations must be received **in writing at YesEvents prior to January 21, 2008**. Refunds for cancellations prior to January 21, 2008 will be made following the Conference (less a processing fee of \$75). Any refund of a credit card registration will appear on your credit card statement for February or March. **No refunds will be given after January 21, 2008.** A student canceling after this date will be mailed a set of student conference materials.

ISSCC'08 REPLAY ON DEMAND: This is a new WEB service offered for the first time this year. See the Advance Program insert for details.

STUDENT FORUM: This is a new event offered to students only on Saturday evening. Your ticket to this event includes a voucher that can be redeemed for a light meal. See the Advance Program for details.

TUTORIALS: There are two sessions for each of the Tutorials, and seating is limited. Session times are 8:00 AM and 10:00 AM, or 12:30 PM and 2:30 PM. Each session is approximately 90 minutes long. You may select the session you desire. If the session you would like to register for is full, you will be assigned to the other session if available. **A confirmation of the session you are to attend will be sent to you prior to the Conference.** Materials will be given at the door when the ticket is presented. Tickets will be included in your registration packet, which should be picked up on Saturday afternoon or Sunday morning.

ADVANCED SOLID-STATE CIRCUIT DESIGN FORUMS: **Advanced Forums are intended for highly experienced engineers.** Forum seating is limited. If the Forum you would like to register for is full, the registering attendee will not be charged, or will be reimbursed after the Conference if a check was submitted. Materials will be given at the door when the ticket is presented. The agenda for all Forums is provided in the Advance Program. *Meals and breaks are included in the fee. Breakfast will be provided at 8:00 AM. Forums begin at 8:30 AM and end at approximately 5:00 PM.*

SHORT COURSE: The Short Course will be given on Thursday at 8:00 AM and 10:00 AM. Seating is limited. The Short Course will last approximately eight hours. You may select the session you desire. If the session you would like to register for is full, you will be assigned to the other session if available. **A confirmation of the session you are to attend will be sent to you prior to the Conference.** Materials will be given at the door when the ticket is presented. A DVD with audio from the session can be purchased and will be sent to you in June. Admission tickets will be included in your registration packet. *Meals and breaks are included in the registration fee.*

ISSCC 2008 DVD OF THE DIGEST & VISUALS SUPPLEMENT: This DVD is not included in student conference registration, but is available for purchase at a special reduced student price. The DVD will be mailed in June to the address on your registration form if you purchase it. The price of the 800+ page Visuals Supplement book has also been reduced for this year. If purchased, the Visuals Supplement book will be mailed in March

SSCS DIGITAL ARCHIVE DVD SET FOR 2007: Those individuals who are **members of both IEEE and Solid State Circuits Society (SSCS)** will also **receive a complimentary copy of the SSCS Digital Archive DVD** set for 2007. Additional copies are available for purchase when registering or onsite. This new issue of the archive includes the *IEEE Journal of Solid State Circuits* (1966 to 2007), all the articles from past proceedings of the ISSCC (1955 to 2007), the conference records of the Symposium on VLSI Circuits (1988 to 2007), the Custom Integrated Circuits Conference (1988 to 2007), the European Solid-State Circuits Conference (1997 to 2007), and the Asian Solid-State Circuits Conference (2005 to 2007).

DIGEST PICKUP: The Digest of Technical Papers will not be given out with your registration packet. You will receive a voucher for both the paper and CD copies that can be redeemed beginning on Sunday after 4:00 PM and during registration hours on Monday through Wednesday. Additional copies are available for purchase when registering or onsite.

LUNCHEON FOR WOMEN IN SOLID-STATE CIRCUITS: ISSCC will be sponsoring a networking event for women in solid-state circuits on Tuesday at noon in The View Lounge (39th floor). It is an opportunity to get to know other women in the profession and discuss a range of topics including leadership, work-life balance, and professional development. A keynote talk will be presented followed by small group discussion. By registering and paying a nominal fee for this event you will receive a ticket to the luncheon, a chance to build new friendships, and an opportunity to expand your professional network. Please indicate on your ISSCC registration form if you plan to attend this special event open to women only.

UNIVERSITY EVENTS AT ISSCC 2008: Several universities are planning social events during the Conference. A link is provided during on-line registration that will take you to a list of universities where you can send an email to indicate your interest in attending. You can also reach this list directly by going to www.isscc.org and clicking on the "University Alumni Events" link.
